**infro** stone

UNLIMITED USAGE

Optimize cable and thermal management
for improved network availability with scalable,
high-capacity solutions that protect,
manage and showcase your network investment

The history of technology is the history of the invention of tools and techniques and is one of the categories of world history. +
Technology can refer to methods ranging from as simple as stone tools to the complex genetic engineering and information technology that has emerged since the 1980s. The term technology comes from the Greek word techne, meaning art and craft, and the word logos...
TODAY Blackstone is the future of the network infrastructure technology .

BLACK STONE WALL MOUNT CABINET V LINE
DATE RACK

WWW.INFRASTONE.COM

P/N:BSC

BLACK-STONE CABINET

STANDARD

Comply with ANSI/EIA RS-310-D, DIN41491; PART1, IEC297-2, DIN41494; PART7, GB/T3047.2-92 standard.
Compatible with metric, ETSI and 19' international standard.

FEATURES

- Exquisite design with precise dimension and craftsmanship.
- International popular smoky-gray glass front door.
- Easily be mounted on wall, or placed on floor after installed castor or feet.
- Loading capacity: 60KG.
- Top and bottom wiring channel could be closed.
- Removable front door and side panel, easily installing and maintaining
  Surface finish: Degreased, acid cleaned, phosphoric, water cleaned, electro-static powder coating, meet ROHS standard.
  Optional color: black/gray
  Optional accessories.

Cool rolled steel
Thickness: Vertical rail:1.5mm
Else in 1.2mm
Tempered smoky-gray glass with thickness of 5mm.

APPLICATION

Widely used in network system, educational system, broadcasting system and telecommunication system. Suitable for placing server computer and precision electronic equipments.
**The open base**

improves cable management access

Easily assembled side panel

vertical cable ladders

are used to attach cable and power distribution units (PDU) in the cabinet

vertical cable trunk

provides additional cable management

Lockable side panels

Are removable with handle for better handing.

Cabinet fans

Cabinets are equipped with four top mounting fans to help airflow for sever cooling.
