BLACKSTONE 9U Wall Mount Double Section Hinged
BSCD Network Cabinet Lock

BSCD CABINET

The BLACKSTONE BSCD Series of cabinets is designed to house EIA standard 19" equipment in offices, network closets, retail locations and classrooms. This series is the best solution for IT professionals who require a secure solution and have a need to do frequent maintenance to their equipment.

This 600mm depth cabinet with 9U,12U,15U,18U of rack space by BLACKSTONE is part of the BSCD and can be wall-mounted or self standing. It has removable, locking side panels for easy access, a rear swing frame allowing easy access to equipment and cabling, and (2) built-in fans to keep your equipment cool. Made of high-quality SPCC Cold Rolled Steel.

Made of high-quality SPCC Cold Rolled Steel.
